Good afternoon, Dr. Grimwood,

I have a couple of procedural questions regarding this case. Please let me know if I should direct them to someone else.

1) With regard to counsel's highlighted question below, who is responsible for maintaining an official file of all submissions in the case?

2) From what date does the the 35 days to hold the due process hearing under K.S.A. § 72-3416(c) begin to run in this matter (i.e. by what date does the due process hearing need to be held unless an extension is granted)? I am unclear whether the time starts to run from the date of your email/appointment letter on May 22, 2024, or some other date (for example, if the time to hold a resolution meeting under § 72-3416(a) had not yet been held or waived by written agreement).

Thanks,
Angela
